Glasgow, Scotland | [www.fems2019.org](http://www.fems2019.org)

## Welcome to FEMS 2019 in Glasgow

It is a great pleasure to announce the 8th Congress of European Microbiologists, **FEMS 2019**, which will be held 7-11 July 2019 in Glasgow, Scotland.

FEMS 2019 will bring together leading scientists spanning different fields of microbiology to celebrate the best of microbiology.

This congress will showcase the most recent developments in microbiology to address some of the global challenges we face today, such as antimicrobial resistance, environmental pollution and the emergence of pathogenic disease.

### Building Communities

The conference theme for FEMS 2019 is Building Communities. From specialist groups in emerging topics to advocacy groups promoting public policy, communities are at the basis of developments in microbiology. Whether you lead our core projects or are looking for new skills to help develop your career, you can build on your community at FEMS 2019.

Join us at FEMS 2019 in Glasgow and build on your community.
